We are only introducing one MASTICK origination this season.

MARGARET WESTGATE (ID). A lovely pastel coloring of apple blossom pink and white. A full many petalled Dahlia of more than average size with strong stems. A free bloomer and good cut flower. Has been grown with great success for two years in Pleasantville, N. Y., so should do well anywhere in the East. It has been outstanding in our garden for several seasons.....\$5.00

FOREWORD

It is with pleasure we hand you our annual catalog.
